

British Columbia Discovery Fund (VCC) Inc.

Investment Portfolio Summary

As at March 31, 2012

- The fair values shown below are estimated by the Fund Manager using the methodology to determine weekly Pricing Net Asset Value per Share of the Fund.
- Please note that the process of estimating the fair value of the privately-held venture investments is inevitably based on inherent measurement uncertainties and it is likely that the resulting values may differ from values that would have been used had a ready market existed for the investments. These differences could be material.
- Please refer to the 2011 Annual Report of the Fund for further information on the Fund's venture investments.
